

Final Agenda

Final Agenda Workshop IC - Modelling

Monday 22.09.2003
Thessaloniki, AUTH

08:30	Pick-up for all WS participants from Hotel Astoria to the Workshop location
09:00	Welcome/Opening (Y. Mylopoulos)
09:05	Introduction IC-Project process modelling (M. Stibitz)
10:15	Quantification procedures for indicator models of territorial competitiveness (M. Stibitz, N. Szarka)
11:40	Coffee break
12:00	Principles of simulation with system dynamics and concept of IC-Vensim modelling (V. Berka)
13:00	Lunch
14:30	Organizing data input for IC-Vensim modelling (N. Szarka)
15:00	Principles of the User Interface in IC-Vensim modelling (V. Berka, L. Dobrosi)
16:30	Coffee break
16:50	Handling of spatially related output of IC-Vensim modelling (L.Dobrosi, M. Stibitz, N. Szarka)
17:30	Indicator calibration according to preferences and indicator aggregation (M. Stibitz, N. Szarka)
18:00	Emergy modelling (M. Beermann)
Optional	Modelling sensitivity analysis with @Risk software (J. Wolfbauer)
